Set photo

A mobile app interface for uploading a photo. The screen shows a status bar at the top with signal strength, AT&T carrier, 11:56 AM, and battery level. Below the status bar is a large white area with a faint 'X' watermark and the text 'upload your photo' in blue. At the bottom of this area is a text input field with the placeholder 'name' and a blue hand icon. To the right of the input field is a small grey circle with a white 'X' icon. The entire interface is framed by a grey border representing the phone's bezel and home button.

A mobile app interface for editing a photo. The screen shows a status bar at the top with signal strength, AT&T carrier, 11:56 AM, and battery level. Below the status bar is a large image of a person's face with a blue 'X' watermark and the text 'scale and move' in blue. Below the image is a text input field with the placeholder 'name' and a blue hand icon. To the right of the input field is a small grey circle with a white 'X' icon. The entire interface is framed by a grey border representing the phone's bezel and home button.
